

EXCELLING WITH HONOR...

Sigma Nu Beta Psi Fall 2020 Wrap-Up Newsletter

Dear Loyal Alumni,

As the Fall semester comes to a close, the active brotherhood of Sigma Nu Beta Psi here at UC Berkeley would love nothing more than to update the great alumni on the semester we have had as a chapter.

The COVID-19 Pandemic continues to present massive and unprecedented challenges to fraternities and universities across the nation. Nonetheless, as a chapter we are proud of what we have been able to accomplish through these trying times. We were able to grow our brotherhood with the initiation of six worthy candidates!
